

Dear Parent/ Guardian,

Skyline High School participates in the Weekend Backpack Program to offer a supply of nutritious meals and snacks for children over the weekend, free of charge if you are struggling to meet your family's food needs and would benefit from receiving additional food.

The staff will discreetly distribute weekend bags on the last school day before the weekend. Any child enrolled at Skyline is able to receive these weekly bags of food. The program will begin on 8/16. If your family is enrolled, your child/children will receive a bag of food each week until the end of the school year or until you no longer wish to participate.

If you feel that your children would benefit from receiving additional food to meet their nutritional needs over the weekend, we encourage you to sign them up by filling the form out below and returning it. Enrollment is ongoing, however, the sooner your form is returned the sooner we can start sending food home. Only one form is needed for all the children in your family, but include information for each child in the form below. This information will be kept confidential between you and the staff at Skyline.

Questions or concerns?
